EXECUTIVE SUMMARY

As an innovative developer, I constantly strive to improve myself. I am a team player and good communicator. I enjoy learning new skills whilst solving problems. I am self-motivated and goal-oriented with a determined attitude. A well-presented, good all-round performer that has the ability to work efficiently.

EDUCATION

Bachelors of Science in Information Technologies, North-West University

Potchefstroom

Jan 2017 — Dec 2020

- Member of Technical Committee (RAG/JOOL) NPO 2018 - 2020

FLL Robotics Competition, Waterkloof High School

Our team designed and programmed a robot to complete various tasks. We developed a patent to aid in the education of visually impaired students and we won the regional championship.

EMPLOYMENT HISTORY

Sales Agent, Platinum Life

Potchefstroom

Nov 2017 — Dec 2017

Learned to work in a highly competitive environment. Completed the sales training course and worked as a sales representative.

Student Intern, Fulcrum

Johannesburg

Jul 2019 — Jul 2019

Experienced the work routine of an IT professional and received mentorship on how to approach IT-related work problems.
